

UAF is proud to salute
the 50th anniversary of the
1949 founding of the
University of Alaska
System. We are proud to
celebrate the many
achievements of our
students, faculty, and staff.

• **Dancing with the Cars!**
 The University of Iowa's Center for the Study of Energy and the Environment (CSEE) is pleased to announce the launch of the 2010 "Dancing with the Cars!" program. This program is designed to provide students with a hands-on learning experience in the field of energy and the environment. The program will be held on the University of Iowa campus and will feature a variety of activities, including lectures, workshops, and field trips. The program is open to all students and is free of charge.
